

APPOINTMENT RESCHEDULE & CANCELLATION POLICY

Effected From : 1st July 2017

2040 E. Maple Ave, Flint, MI 48507 | Phone : (810) 620-1000

No shows and cancellations with less than 2 business day's notice CAN become a significant problem for a clinic. Your reserved time is your time, for you and nobody else. Please be mindful of the following:

- No cancellations or changes are accepted via email, social media or any electronic communication other than this Square Appointments system, in person or phone.

- Your reserved times are your times and thus personalized. Please be mindful that your practitioner is preparing for your appointment or therapy and costs are incurred prior to your arrival.

- 2 full business days are required for all cancellations and changes. The 48 hour period is indicated by your appointment date/time.

- Keeping your credit or debit card on file is a convenient method of payment and automation. Please understand our need to be automated to keep pricing as low as possible.

We are very serious about helping you. Please be mindful of our time and space. We feel that charging for no-shows is the best fit for our practice. We are respectful of our clients and their scheduled time and we appreciate your reciprocation in this matter.

Thank you! Blue Lotus Healing Center, LLC
